

R307-221

Due: March 26, 2007

2. Title

Emission Standards: Emission Controls for Existing Municipal Solid Waste Landfills

3. A concise explanation of the particular statutory provisions under which the rule is enacted and how these provisions authorize or require the rule:

Subsection 19-2-104(3)(q) allows the Air Quality Board to implement the requirements of federal air pollution laws. Under Section 111(d) of the Clean Air Act (42 U.S.C. 7411(d)), EPA issues standards of performance for existing sources at the time standards are issued for new sources, and states are required to prepare plans and rules to implement the standards for existing sources. R307-221 implements the standards for existing Municipal Solid Waste Landfills, as required by 40 CFR 60.30c through 60.36c. The corresponding plan is incorporated by reference in R307-220-2. R307-221 also includes necessary definitions, emission restrictions, control device specifications, and a compliance schedule, as required by 40 CFR 60.30c through 60.36c.

4. A summary of written comments received during and since the last five-year review of the rule from interested persons supporting or opposing the rule:

No written comments have been received on this rule since its last review.

5. A reasoned justification for continuation of the rule, including reasons why the agency disagrees with comments in opposition to the rule, if any:

R307-221 is required by 40 CFR 60.30c through 60.36c.
